Sponsorship Package 2026

IDEAS THAT NOURISH

"Ideas That Nourish." This theme explores how innovative thinking can feed our communities—socially, culturally, economically, and emotionally.

What makes Largo truly special is its people. It's a place full of energy, culture, and big ideas—neighbors who care, businesses and organizations that thrive, and voices that inspire.

TEDxLargo is proudly presented by The Arc Prince George's County, in partnership with Prince George's Community College (PGCC) — two organizations deeply committed to learning, leadership, and lifelong growth that strengthen our community. That's why TEDxLargo feels right at home here. Together, **we're sparking conversations, sharing ideas worth spreading, and shaping the future of our community—where big ideas and community intersect.**

Let's explore the possibility of your organization joining us as a sponsor for this exciting event on **September 17, 2026, at the Prince George's Community College Center for Performing Arts, Proscenium Theater, from 6:00 PM - 9:00 PM.**
